Get Certified. Get Ahead.

Note: The screenshots are only for your reference. Your LMS may look different depending on your course content.
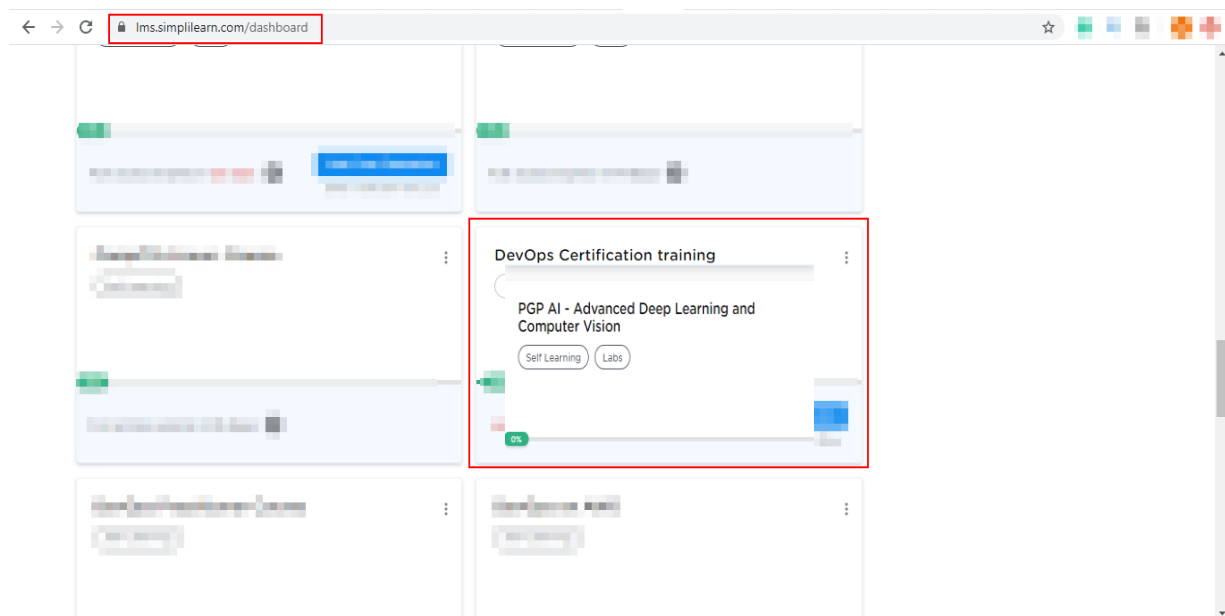

This section will guide you to:

- Use labs for executing all the demos included in this course

Step 1: Starting **Practice Labs** on LMS

- Log into the Simplilearn LMS
- Go to the respective course

Step 2: Click on the respective course
● You will see the course TOC page.

1. Click on Practice Labs

2. Click on Launch
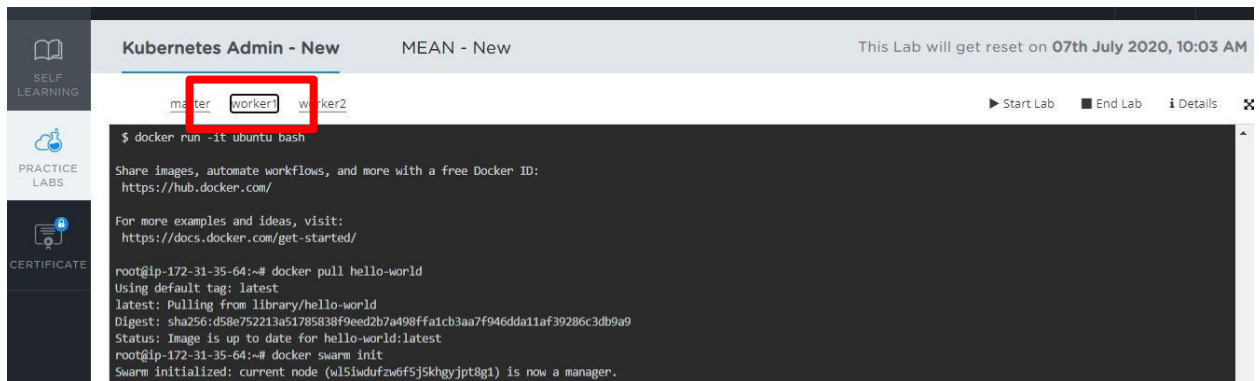

● A pop-up will appear.

Click on Launch Lab
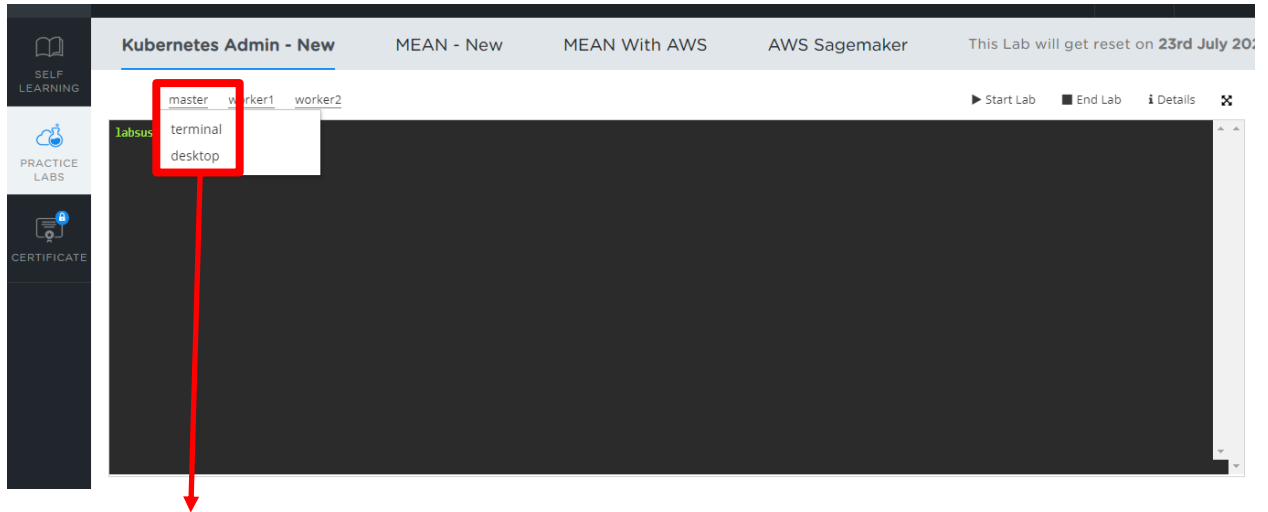

● Launch lab will open a new window.

Click on respective worker nodes to open them
in a new window. Look at the next image.

- Launch the Desktop
  Step 1:

Click on master node and select desktop

Step 2: Enter credentials in the new window to access the desktop.
